M.H.S. TEAM READY

SEASON OPENS WITH PLAYERS FULL OF PEP AND CONFIDENCE.

FIRST GAME TOMORROW

Stanberry Will Not Find the "Easy Mark" of Last Year — 9 Games In Season Schedule.

If confidence on the part of students, team and coach has anything with winning football games, Maryville High school is due for the most successful season it has ever enjoyed in any sport.

With seven men returned from last year's team and plenty of material with which to plug up the holes, Coach Schultz and his assistant, L. E. Ziegler, have built up an eleven which ought to be a strong contender for championship honors. The team will average around 145 pounds in weight.

A full schedule of nine games will be played with the best teams in Northwest Missouri. The season opens tomorrow with Stanberry on the Normal field, and the team hopes to get a flying start toward premier honors of the district. Revenge for two defeats suffered last year at the hands of the Stanberry eleven will be an added incentive to victory for the M. H. S. cohorts.

The game is sure to be hotly contested, however, for Stanberry also has a veteran team and one which does not take kindly to defeat. There is no way in which to get an accurate line on the two teams but local gridiron experts pick Maryville to win.

The game will start with McPherron, inexperienced but big and husky, at center. He will be flanked by two good guards, Fisher who played on the second team of the State Normal school last year, and Bennett French, a new man who has added much strength to the team.

In Lyle and Auten, M. H. S. has a pair of tackles who will more than match their opponents. Both are big men, fast and aggressive. On the ends of the line are Egley and Kemp, veterans of last year's team. They are sure on receiving forward passes and are hard tacklers.

The backfield is a great offensive combination. Pickens (Capt.), at fullback and Pierpoint at quarter were with the team last year and need no introduction to the fans. Wray, r. h. b., played in the line last year and is known as a heady, aggressive player. The fourth member of the back field is Floyd Foreman, freshman, who seems to have been born with the football instinct. He hits the line hard and low and seldom fails to gain.

The second string men who will probably get a chance before the game is over are Lawson, King and Penisten, linemen, and Miller and Price, backfield. The only man on the injured list is Masters, who is out with a sprained ankle. He will be able to play soon and will undoubtedly make a place on the team.

After opening the season here the squad will journey to Chillicothe, Pattonsburg or Gallatin for a game October 12. Savannah comes here for a game on the 19th. The next three games will be played away from home, Stanberry on the 26th, Pattonsburg or Gallatin November 2, and Savannah November 9.

A game has been arranged with Bedford to be played here November 16, but as this is the time of the State Teachers' meeting the date must be changed to the 14th. The last game at home will be played November 23, with Chillicothe, Gallatin, Pattonsburg or Cameron. The Thanksgiving game must be played away from home and this date is being held open. An especially strong opponent is being sought for this game.

The game tomorrow will be played on the Normal field at 3:30 o'clock. Single admissions will be thirty-five cents. Season tickets for the four home games are on sale at one dollar.

CHURCH OFFERING $174.00

Paid for Articles in Comfort Kits and for Blankets for Men Who Left Yesterday.

The offering at the Christian church yesterday, following the farewell services for the men of the new National army who went to Camp Funston, totaled $174.00, a sufficient amount to pay for the articles contained in the comfort kits which each man received and for the blankets, $60.00 having been expended for the latter. The comfort kits were valued at $3.00 each, including the making. The dinner served at the First Methodist church and the lunches provided to take on the train were donated by the ladies of the various church organizations.

The lunches were put up in new pasteboard shoe boxes and contained fried chicken, four big sandwiches of ham and pimento, pickles, chocolate, fruit and home made cake, enough for two meals in an emergency. Surplus boxes were given John T. Williamson, traveling passenger agent in charge of the special cars, and the train conductor.

There were many comments on the appearance of the men as they left, clean, healthy looking fellows who looked fit to do their "bit" in any kind of company.

The crowd at the depot was nearly as large as the one that went to the station with the second contingent two weeks ago. It had consideration for members of the immediate families and relatives of the men however, and made places for them beside the cars for the leave-taking and mothers and sisters were lifted up to windows for a sometimes tearful embrace.

TO BEAT NEXT DRAFT CALL

Normal Students Would Enlist Before the Next Call For Men Comes— Visit Recruiting Station.

Willie Maple, of Bronaugh, Mo., enlisted at the local recruiting office yesterday evening for service in the medical department of the United States army. He was sent to Kansas City this morning.

Yesterday evening a number of Normal students went to the recruiting office and sought information of recruiting officer Michaels concerning enlistment, expressing a desire to enlist before the next draft call came. With a few exceptions the men were under the age required in first registrants.

Registered men will be accepted for service in the regular army provided they have not been called by local draft boards.

Allied Airman Over Cologne.

Special to The Democrat-Forum.

The Hague, Oct. 4.—A number of Allied airplanes passed over the German city of Cologne Tuesday night, but dropped no bombs. They were heavily shelled by high range angle guns, but none were hit a dispatch says. The dispatch added that the Krupp gun works was turning out great quantities of high angle guns to strengthen Berlin, Essen and other cities.

World's Largest Appropriation.

Special to The Democrat-Forum.

Washington, Oct. 4.—The House this afternoon adopted the conference report on the eight billion dollars urgent deficiency bill, the largest appropriation in the history of the world. On motion of representative Stephens it was voted to appoint a committee who will select five to investigate the remarks made by Heflin.

Miss Audrey Howendobler and Miss Nannie Moses left today for Kansas City where they will spend the winter.

EQUIPMENT IS SHORT

FUNSTON OFFICERS TELL MEN NOT TO BE DISCOURAGED.

DRILL "SUICIDE SQUAD"

Ambulance Drivers and Litter Bearers Work Trenches While Imaginary Shells Burst Above.

Special to The Democrat-Forum.

Camp Funston, Kan., Oct. 4.—Missouri's drafted men here will live two days at a time in trenches here in order to accustom them to "No Man's Land."

The men will build the trenches at the latter part of their training here.

There is still a derth of equipment here. Officers are telling the men not to be discouraged in this because all equipment necessary will be in the cantonment by February at the least.

New trenches are being built which will have machine gun emplacements and rifle pits. The trenches are entered by wooden steps. They are about 8 feet deep. Board walks are in all of the trenches which are dug zigzag, so that a shell bursting in one section causes damage only in a small area.

Trenches are being used now by ambulance drivers and stretcher bearers who are being drilled in the different methods of bringing in the fallen. These men are called the "suicide squad" because their work is so hazardous.

Each morning this practice is held in the trench field. "Wounded" men may be seen lying about "No Man's Land" with imaginary shells bursting over their heads. Several rescuers dart out, crouching or crawling and in a few minutes "No Man's Land" is free of all its "wounded."

TWO HURT BY AUTOMOBILES

Mylo Liston and Morris Woodburn Schoolboys, Run Down on the Street Yesterday.

Two accidents that came near resulting seriously occurred yesterday when Mylo Liston, son of M. Liston, 1122 East Cooper street, was run down by an automobile and painfully hurt. The other befell Morris Woodburn, son of J. H. Woodburn, 601 East Fourth street, when an automobile struck him inflicting several bad cuts about the face.

The Liston boy was on his way to school at the Jefferson building, at noon yesterday, and on crossing First street was struck by an automobile being driven east. He was thrown to the pavement and rendered unconscious. The driver of the car stopped and after learning who his victim was took him to his home leaving a sum of money in payment for physician's services. His name was not learned. The boy was painfully hurt about the back of the head and has a badly wrenched back.

Young Woodburn was struck by an automobile while watching the parade yesterday afternoon at the corner of East First and Market streets. His lip and chin was badly cut and several stitches were necessary. He also sustained hurts about the body.

TICKETS ARE SELLING FAST

Advance Sale For Commercial Club Meeting Next Tuesday Indicates A Good Attendance.

If the sale of tickets by the committee this morning is indication of the interest of Maryville business men in the dinner and meeting under the direction of the Maryville Commercial club at the Elks club next Tuesday night, there will be an unusually large attendance for a feature of this nature. It is apparent that the men of the city are anxious to learn more about the schools, which play an important part in the life of the community. Reservations for tickets may be made by telephoning the Commercial Club, W. C. Pearson, or A. N. Somerville.

Case in Juvenile Court.

Theodore Wenrick who was recently up before Judge Dawson in juvenile court and who was given a job at the J. L. Partridge farm, northeast of the city, was brought to Maryville this morning and will be taken before the county court tomorrow. He will probably be sent to the reform school. Wenrick is charged with stealing money at the Partridge home. He came here from Conception Junction. He is a young boy.

HEAR $10,000 DAMAGE SUIT

First of Weber Trials Results in Non-Suit — Case Charging Libel on This Afternoon.

After two witnesses had been examined in the $10,000 damage case of Elizabeth McMillen against Henry Weber, the plaintiff took non-suit in the circuit court this afternoon.

Another Weber case was called, that of Clyde McMillen against Mrs. Henry Weber for libel, the amount asked for being $10,000. This case was started at 2 o'clock this afternoon. The petition alleges the defendant wrote to the plaintiff's wife the following:

"You turned right around and check and ever from Jan. 1, 1917, to Feb. 9, 1917, check out $82 after we forbidding him, beside in all of his check before amounted to $222 besides his wages." Another paragraph is: "Weber will go out and swear out a warrant for you for butchering one of his hogs and forging his name to checks."

Charles McCaffrey is representing the plaintiff and Cook & Cummins the defendant.

In the suit in which the plaintiff took non-suit Mrs. McMillen and Dr. R. E. Ferguson had testified. The petition in this case had alleged that as a result of a visit to her by Weber she was made and remained nervous her health being affected by the accusations of the defendant against herself and her husband, who accused them of stealing hogs.

There are three more suits by the McMillens against Mr. and Mrs. Weber. Mr. Weber is a wealthy farmer at Clearmont. Clyde McMillen, the plaintiff, is a nephew of Mrs. Weber.

A suit was filed by the Nodaway Valley Bank against R. L. Byers and Mrs. Byers in circuit court today. It is for a note of $200.

John Morrissey on a charge of disturbing the peace, waived formal arraignment and pleaded not guilty. Bail was fized at $200.

ANNUAL CONVENTION FNDS

Seventh District Christian Churches Close Successful Meeting At Burlington Junction.

With a total of one hundred and ten delegates having been in attendance at the seventh annual convention of Christian churches of the Seventh Missouri district at Burlington Junction, the sessions closed yesterday afternoon with the re-election of officers as follows:

Dr. C. M. Chilton of St. Joseph, former Maryville pastor, district president; Rev. J. W. Kilborn, Cameron, vice-president; and the Rev. John W. Love, St. Joseph, secretary and treasurer.

Of the twenty-three counties in the district, nineteen were represented at the meeting. Reports read by various officers and committees shows the church in good financial and working condition. A plan suggested that met with favor was for the visitation of the churches in each county by gospel teams.

Attendance at the international convention at Kansas City next month was considered and it is likely that plans will be made to secure a special coach for the delegation from Nodaway county. The sessions of the 1918 convention will be held at Kidder, Mo.

A RECEPTION FOR REV. COX

Popular Pastor and District Superintendent Will Be Welcomed By Congregation.

At a reception to be given tomorrow night at the First Methodist church in honor of Rev. and Mrs. Gilbert S. Cox and Dr. and Mrs. W. F. Burris a short program will be given. Rev. C. Emerson Miller will deliver an address of welcome to Rev. Gilbert S. Cox, and Rev. C. S. Dayhoff, pastor of the Methodist church at Pickering will make a welcome address to Dr. W. F. Burris. Short talks will be given by E. M. Claypool and a member of the Normal faculty. A quartette composed of Mrs. F. P. Robinson, Miss Dale Hulet, Harry Mutz and E. M. Claypool will sing. Music will be furnished by Miss Carrie Margaret Baker.

No La Follette Action Yet.

Special to The Democrat-Forum.

Washington, Oct. 4.—Investigation to determine whether the utterances of Senator LaFollette warrant his impeachment for sedition became a strong probability today, following an hour's session of the Senate privileges and elections committee. The committee will meet again tomorrow to decide finally what action to take.

Phil Growney of Conception is in Maryville on business today.

A GOOD INVESTMENT

DEFENSE COUNCIL TO URGE LIBERTY BOND PURCHASES HERE.

TO INFORM THE PUBLIC

Campaign of Education to be Started —Banks Will Furnish Information to Buyers.

A publicity campaign for Nodaway county for the second Liberty Bond issue is being planned by E. M. Claypool, secretary of the Nodaway Council of Defense. This county fell short in its subscription to the first issue of Liberty Bonds and it is hoped to develop a larger interest in the loan now being asked for by the government. The purchase of a Liberty Bond is an investment in a gilt-edge security. Buying Liberty Bonds means a desire to aid in the prosecution of the war.

Secretary Claypool is sending literature and posters to every bank in the county and individuals in each town are being asked to see that local distribution is given. The First National Bank of Maryville has been designated by the Federal Reserve Bank of Kansas City as bond headquarters. Application for bonds may be filed with any bank in the county.

A feature of the bond issue is the easy payment plan, the money being required only in installments, thus giving the wage earner the same opportunity to invest as those who are able to buy bonds outright.

Terms of payment are as follows, delivery of the bonds being made promptly upon completion of payments:

Two per cent with application.

Eighteen per cent on November 15, 1917.

Forty per cent on December 15, 1917.

Forty per cent on January 15, 1918 (with accrued interest on both deferred installments).

Payment in full of any subscription for an amount of bonds not in excess of $1,000, at face value without interest, may be made with the application, if the subscriber prefers, in which case prompt delivery of a bond or bonds dated and bearing interest from November 15, 1917, will be made. Except in such cases, payment for the amount allotted can only be completed on November 15, or, with accrued interest, on December 15 or January 15, previous installments having been duly paid.

The bonds are known as 10-25 year 4 per cent convertible gold bonds. They will bear interest from November 15, 1917. Interest dates will be May 15, and November 15. They will be redeemable at the option of the United States at par and accrued interest on and after November 15, 1927.

Coupon and registered bonds will be issued in denominations of $50, $100, $500, $1,000, $5,000, $10,000 and registered bonds of $50,000 and $100,000.

The bonds will be exempt as to principal and interest from all taxation by the United States, any state, or by any taxing authority except (a) estate or inheritance taxes, and (b) United States graduated additional income taxes (commonly known as surtaxes), and by said act, the principal of which does not exceed in the aggregate $5,000, owned by any individual, partnership, association, or corporation, shall be exempt from the taxes provided for in clause (b).

FERREE FUNERAL TODAY

Wife and Children of Electrocuted Lineman Arrived From Montana This Morning.

The funeral of Walter Ferree, a lineman in the employ of the Maryville Electric Light & Power Co., who was electrocuted while at work on a service line north of town last Friday evening, was held this afternoon at two o'clock from the family home at 511 South Walnut street. Rev. T. H. Wiles, of the First Baptist church, conducted the services and burial was in the Miriam cemetery. The pall bearers were: E. M. Dragoo, Homer Dragoo, Charley Irwin, Charley Ellis, Lawrence Shanks and Fred Fox.

Mrs. Ferree and three children, Vera, Beulah and Walter, who were visiting relatives in Malta, Mont., arrived home this morning accompanied by Mrs. Ferree's brother, Frank Cabage.

DEATH OF MRS. J. D. GRAVES

Well Known Resident of Quitman Had Been Resident There For Thirty-Six Years.

Mrs. John D. Graves, 63 years old, died at her home in Quitman this morning, having been a sufferer for several years with cancer of the liver. She was one of the old residents of the county, having lived at Quitman for thirty-six years.

Mrs. Graves' birthplace was in Peoria Co., Ill., where in 1872 she was married to Andrew J. Rutherford. Mr. Rutherford died the following year and his wife remained a widow until 1882, when she married John D. Graves. Mr. Graves died in 1903, since which time she has lived alone. A son by her first marriage died in 1916. Mrs. Graves is survived by a sister, a brother and two grandchildren.

Funeral services will be held tomorrow from the Quitman M. E. church, conducted by Rev. Ragsdale, the pastor. Burial will be in the cemetery at Quitman.

BOOZE SELLER FINED $300

Chas. Womack Found Guilty by Jury in Police Court of Violation of Local Option Law.

Charles Womack, of near Bedison, was found guilty by a jury in police court yesterday afternoon, of a violation of the local option law and punishment was fixed at a fine of $300. The fine was not forthcoming and Womack was committed to jail.

The chief witness against Womack was L. G. Thorpe, of the Marshal Detective Agency, of Kansas City, who was here during the county fair working for the city securing evidence against law violators. The jury was composed of E. F. Wolfert, J. A. Ford, J. W. Herndon, W. W. Jones, J. F. Montgomery and Fred C. Newlon.

A FARM BUREAU MEETING

Better Corn Seed and Greater Production Will Be Discussed At the Meeting on Saturday.

With time for the selection of seed corn at hand the County Farm Bureau announces a meeting for Saturday afternoon at 1 o'clock in the offices of Superintendent Bert Cooper, at the Court House, when a campaign will be inaugurated for the selection of better seed. A representative of the agricultural department of the state university at Columbia will be here and will talk on seed corn selection and other interesting topics.

It is desired that every member of the County Farm Bureau be present and representatives of county and community clubs are invited.

BRITISH NEARING GOAL IN BELGIUM

HAIG'S ARMY MENACES STRATEGIC GERMAN POSITION.

FURIOUS FIGHTING ON THE FLANDERS FRONT

Extensive Preparations Are Also Under Way to Extend Offensive In Air Reprisals.

Special to The Democrat-Forum.

London, Oct. 4.—The battle of Flanders flared up with a terrific burst of fighting today when the British renewed their offensive and gained much important ground east of Ypres. As a result of this victorious thrust which followed a long and violent bombardment of German positions, the German hold on Passchandalne ridge is perilously menaced. With this strategic ridge in their possession, the British will not only be in plain sight of their objective in Belgium, but will be able to seize the German submarine bases at Ostend and Zebrugge. Not only did the Germans lost imtant positions, but lost many men in killed and prisoners. The latest reports said that the fighting continued with unabated fury. The Russian offensive in the Riga sector still progresses, but no new offensive drive has been reported.

The offensive on the Flanders front this morning was the heaviest of the battle, the reports rocking the earth like an earthquake.

A British air ministry which will have charge of air reprisals against Germany is to be created, according to announcements in the newspapers today, and from all indications the was in the air is only the beginning. Advices from Amsterdam today told of great preparations which are being made in Germany to combat the hostile aviators when the British and French get their campaign reprisal in full swing. It is believed an effort will be made to damage the Krupp gun works at Essen and that Berlin will come in for the same treatment the Germans have accorded London.

DELAY FOR FOURTH QUOTA

A tremendous amount of work lies ahead of the draft appeal board before it can certify the fourth and last of the first draft contingents, says today's Kansas City Times. As a consequence it appears probable that this division will not be ready for camp until November or December.

The work involves the examination of the cases of about ten thousand men who have been exempted by the division boards. In every case of exemption, the government has appealed, putting it up to the appeal board.

The intention of the appeal board is to certify no new men as eligible for the fourth contingent until all of these ten thousand exemptions have been passed upon.

I had an intense soreness just through the small of my back and my back pained when I tried to bend over or straighten up quickly. My kidneys acted too frequently and this made me weak. I saw Doan's Kidney Pills advertised and bought some from Love & Woodworth's Drug Store. From the first, I had relief and as I continued using them, I was benefitted in every way. It has been quite a while now since I have needed Doan's Kidney Pills, so I know the benefit is lasting."

COMMUNICATION

To the Readers of the Democrat-Forum:

A reader of this paper, this morning expressed appreciation of my article in Wednesday's Democrat-Forum, entitled, "What Would Jesus Put in the Christmas Box?" written in reply to an article in Tuesday's Maryville Tribune, and inquired as to the contents of the article that I had thus answered.

Therefore, for the benefit of the readers of this paper, will say that the article stated that Maryville women had sent and were sending Christmas boxes to our soldier boys, and I will here quote the article in part, to which my answer was intended:

"The articles in the average package are: One bandana handkerchief, shaving soap, toilet soap, pipe, smoking tobacco, chewing tobacco, cigarettes, cigarette papers, a book of one-cent stamps, ten plain postage cards, a box of foot ease, tooth paste, a pencil, a bar of chocolate, red, white and blue stick candy, chewing gum, copies of Maryville newspapers and playing cards."

The article in part further stated, that it was not permissible to send tobacco to the French army, so the package to Charles E. Kane, carried instead, a knitted, sleeveless jacket.

MABEL E. HUNT MILLER.

Mr. and Mrs. Bohm Coming.

Mr. and Mrs. Henry Bohm of Denver, Colo., will arrive in Maryville Sunday for a visit with their daughter, Mrs. Ferdinand Townsend. Mr. and Mrs. Townsend will drive to St. Joseph Sunday morning to meet Mr. and Mrs. Bohm.

Musick Adjudged of Unsound Mind.

John Musick of near Hopkins was declared to be a person of unsound mind and incapable of managing his own affairs by Judge Jesse Robertson in probate court this afternoon. James M. Hook was appointed guardian of his person and estate.

F. Ralph Marcell left this morning for Lawton, Okla. He will take moving pictures of the National Guards at Fort Sill. He expects to be gone several weeks.

A BAND FUND STATEMENT

E. M. Claypool Gives An Itemized Account of Receipts and Expenditures to Date.

Subscribers to the fund for the Fourth Regiment band and patrons of the concerts given before they left will be interested in the distribution of the money received. The collection of the fund dates from the return of the band from the Mexican border, when a welcome concert was held on March 1. At the time of the band's departure the fund totaled $282.00. The largest disbursement from the fund came when in April it was expected they would leave and a number of band members assembled here and were cared for at local hotels.

A complete statement of receipts and disbursements is given in the following report made by E. M. Claypool, custodian of the fund:

A marriage license was issued yesterday to Melvin V. Mitchell and Velma Grace Hawkins of Bedford.

A Mother's Guidance

The mother who advises her daughter to use "Mother's Friend" can rest assured that the crisis will be one of much less pain and danger.

"Mother's Friend" is a safe, external application for the abdominal muscles and breasts. It certainly has a wonderful influence in relieving pain, discomfort and nausea, and is a most grateful encouragement to the young woman awaiting the happiness of coming motherhood. The action of "Mother's Friend" makes the muscles free, pliant and responsive to expansion. Thus tension and strain upon the muscles and ligaments is avoided when baby arrives.

Nervousness and twitching spells and that constant strain known to so many women is avoided. "Mother's Friend" is the prescription of a famous physician and may be had at the drug store. It will surely prove of the greatest value, not only to the mother, but to the health and future of the child.

Write to the Bradfield Regulator Co., Dept. C, 200 Lamar Building, Atlanta, Ga., for their book, "Motherhood and the Baby". It is free and is a book which every woman should have. Every expectant mother should aid nature for by so doing pain at the crisis is avoided.

Full Showing of Fall Millinery

NEVER have we shown such a variety of new distinctive models in fashionable millinery as at present.

Crowns are both high and low. Brims are both large and small. And there is also a extensive assortment of types varying from small to large.

While the new style features are entirely different from those of preceding seasons, yet they are decidedly sane and furnish types that are suitable and becoming to everyone.

In crowns alone ideas are exceedingly varied. All sorts of puffs, drapes, shirring, indentations and ridges are employed, affording a striking contrast to the comparatively simple crowns that were in use for summer. The lines of these new draped effects, however, are decidedly original and unusually graceful.

Another striking feature is the thick brim effect. Sometimes this thick appearance is accomplished by the use of a double-roll brim; again, it is the result of puffing, draping or by a brim edging of feathers, ribbon or fur. Models that turn sharply up at the side are particularly effective when edged with a burnt goose feather roll.

In materials panne velvet is a leader. This is used alone and in combination with practically all the other fashionable fabrics of the season, such as hatters plush, plain velvet, etc. Sometimes the brim and crown are of contrasting materials.

The colors now in use include Red, Taupe, Beaver Brown, Moss Green, Peony, Navy, Royal Blue and Black.

In trimmings ribbons, short wings feathers and bead and metallic ornaments are much in evidence. In the beaded and metallic effects, Chinese, Egyptian and Russian designs are all well represented in rich soft well-blended colorings.

Our present assortment is so extensive that a description is not permissible—but a visit will convince you of the unusualness of our new fall showing.

CHILDREN'S HATS

In choosing our fall stock of millinery we kept in mind the needs of the children and misses and selected assortments that will meet every requirement.

There are Plushes, Velvets, Corduroys and Velours in many new creations. There is a variety of colors and black, white and plaid effects to select from.

In the collection are hats for dressy wear and many that are suitable for school wear. All are priced very moderate.

A wonderful assortment of the season's newest models awaits your inspection. COME NOW.

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. A little zemo, obtained at any drug store for 35c, or $1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

Wells-Tompson.

The following is an account of the wedding of Miss Catherine Jane Wells of Platte City to Warren Vaughn Tompson of Kansas City, formerly of Maryville, as taken from today's Kansas City Times:

The marriage of Miss Catherine Jane Wells, only daughter of Mrs. Campbell Wells of Platte City, Mo., to Mr. Warren Vaughn Tompson of Kansas City took place at 8 o'clock last night at the home of the bride's mother. Miss Wells was attended by Mrs. Norman McAllister of Kansas City as matron of honor and Miss Elizabeth Morton of Platte City, as maid of honor. Mr. Norman McAllister acted as man of honor to Mr. Tompson. The bride's gown was of silver cloth with a trimming of silver lace and tulle. She wore a veil of tulle which was fastened with a wreath of orange blossoms and carried a shower bouquet of orchids and lilies of the valley. The matron of honor and the maid of honor wore gowns of pink taffeta and tulle embroidered in silver and carried arm boquets of pink roses and stevia. Mr. and Mrs. Tompson left for an Eastern wedding journey and will be at home after November 1 in the Vanderbilt Apartments, Forty-third and Oak streets, Kansas City.

Pistole-Morris Wedding.

A quiet wedding took place in a pretty country home near Pickering at 12 o'clock Wednesday, October 3, when Miss Gladys May Pistole and John Morris took the marriage vows.

The couple marched down the hallway into the living room, preceded by Rev. E. H. Hutchison of Pickering, who performed the ceremony in the presence of their relatives and friends. Immediately following the ceremony the bridal couple led the way into the dining room where a three-course dinner was served. The table decorations were a white and blue color scheme, while a dainty basket of flowers centered the table. Covers were laid for the following: Mr. and Mrs. F. S. Maxon, Mr. and Mrs. Roy Kelley and daughter, Xitah, Mrs. Amanda Pistole, Mr. and Mrs. F. N. Kelley, Rev. and Mrs. E. H. Hutchison and little son, Mr. and Mrs. Charles Pistole and daughter, Mary, and the bride and groom.

Mrs. Morris is the daughter of Mr. and Mrs. Charles Pistole of near Pickering and Mr. Morris is the son of Mr. and Mrs. George Morris of Poplar Bluffs, Mo. They both have many friends who wish them a long happy and useful life.

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

The prompt and positive action of this simple, inexpensive home-made remedy in quickly healing the inflamed or swollen membranes of the throat, chest or bronchial tubes and breaking up tight coughs, has caused it to be used in more homes than any other cough remedy. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, whooping cough, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex (60 cents worth), into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. You then have a full pint—a family supply—of a much better cough syrup than you could buy ready-made for $2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is known the world over for its promptness, ease and certainty in overcoming stubborn coughs and chest colds.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.
